Dear Parents,

On behalf of the staff at Pathway Academy Charter School, I am happy to welcome you to the 2017-18 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject
- 6) Knows that you expect him/her to succeed in school and go on to college

Please consider joining our school volunteer program as our students can greatly benefit from your involvement and contributions to the school's program and its operations. We seek volunteers to help us with the following activities:

- 1) Teacher-led instructional support, usually in the classroom
- 2) Reading with children
- 3) School-wide events
- 4) Student recognition events
- 5) Outreach and recruitment of parent and community volunteers

**We are hosting MANDATORY Parent Information Events where you will learn more about our school and expectations for students and families.** Pie will be served! Parents **MUST** attend one of these events before their child can start school on August 14<sup>th</sup>. Also, please note that all new to Pathway students will need to be assessed before a grade level is assigned. We look forward to seeing you at one of our Parent Information Events. If you have any questions, please contact me- (816) 621-7100.
